Filters, Pumps & Cleaners

STA-RITE™ *Simply Smarter.*

Pentair Water Pool and Spa™

Kreepy Krauly Classic

- Turbo action swivel design & regulator valve for maximum cleaning power.
- Exclusive dive float directional system assures optimum cleaning performance from the water line to the pool bottom.
- Automatic valve regulates water flow to set the ideal travel speed for more thorough cleaning.
- Original "one moving part" design for years of dependable service, no wheels or gears
- to replace.
  Large intake throat assures removal of large & small debris.

Tagelus Top Mount Filter

- Special lateral design provides superior flow characteristics & long filter cycles for economical operation.
- Maximum operating pressure 50 psi
- Combination water & sand drain makes servicing & winterizing fast & easy.
- 40, 50 & 60D models standard with plastic clamp.

SuperFlo Pumps

- Extremely quiet operation
- Unionized fittings (1.5 in. internal slip & 2 in. external slip)
- Cam & Ramp Lid
- Heavy-duty, high service factor 56 square flange motor
- Integral volute & pot reduce hydraulic noise.
